WHPARA COMMITTEE MEETING

At our recent committee meeting we discussed Islington's rather poor enforcement of planning regulations, and our planning team agreed to meet with officers from the Council to discuss this. Dorothy reported that she'd had a fruitful meeting with Greg Foxsmith, and would also arrange an open meeting with our other councillors in order to discuss matters of importance to residents. Plans for WHPARA to erect a noticeboard in the vicinity of Becky's are still on the table, but continue to be pursued. It was also suggested that we could add a new page to our website, called something like "Focus On..." that would spotlight the work or leisure activities of a local resident. So let us know if you have any ideas or nominations.

NOTICEBOARD

The recently added Noticeboard page on our website has snippets of information and news that don't seem to fit anywhere else. If you would like us to put a notice on it for you, send it to the webmaster.

FAMILY FUN DAY

The Family Fun Day on Saturday 7th July is being organised by St. Andrew's Church and not WHPARA this year, but we are sure it will be just as much fun for all the family. See Events.

BRIDGE CLUB

One of our members suggested getting a local bridge club together. If you're interested, contact our chair, Dorothy Leng.

GIGL

Greenspace Information for Greater London (GiGL) is the capital's environmental records centre, collating, managing and making available detailed information on London's wildlife, parks, nature reserves, gardens and other open spaces. They have an interactive website where you can log your own sightings, and more details are on our Conservation: Places page.

ENFIELD IN ISLINGTON

Comedian Harry Enfield chose Cheverton Road to film a sketch for his TV series. See News.

LOST TOY PLEA

Have you seen this rabbit? A young boy could be very happy if you have. See the Noticeboard.
